**BACKGROUND INFORMATION/FISCAL IMPACT:**

In accordance with the provisions of Section 27-3205, Prince George's County Zoning Ordinance, the Planning Board transmitted the Public Facilities and Transportation and Mobility Elements of the Staff Draft West Hyattsville-Queens Chapel Sector Plan for the purposes of identifying potential conflicts with proposed facilities with existing County lines of transportation. On July 28, 2022, the Planning Board referred the proposed Public Facilities Element to the County Executive and County Council for this purpose. If conflicts were identified, County law requires that the District Council direct the Planning Board how to resolve any conflicts in the Public Facilities Element. This Resolution will serve to reflect that no conflicts were identified and to approve the Public Facilities element of the staff draft sector plan for further action by the Planning Board.
