Principal shall be paid by wire or check as determined by the County upon presentation and surrender of this Bond on the date such principal is payable or if such date is not a County Business Day (hereinafter defined) then on the next succeeding County Business Day at the Office of the Director of Finance of the County (the "Paying Agent"). The interest payable on this Bond, and punctually paid or duly provided for on any interest payment date, will be paid semiannually on _____ and _____ in each year commencing _____ 20__ or if such date is not a County Business Day then on the next succeeding County Business Day to the person in whose name this Bond is registered on the registration books (the "Bond Register") maintained by the Bond Registrar (hereinafter named) as of the close of business on the Regular Record Date which shall be the [fifteenth day of the month immediately preceding such interest payment date/first day of the month in which such interest payment date occurs]. Payment of the interest on this Bond shall be by wire or check as determined by the County to such person's address as it appears on the Bond Register. Any such interest not punctually paid or duly provided for shall forthwith cease to be payable to the Registered Owner on such Regular Record Date, and may be paid to the person in whose name this Bond is registered as of the close of business on a date to be fixed by the Bond Registrar for the payment of such defaulted interest (the "Special Record Date"), notice of such payment date and the Special Record Date therefor being given by letter mailed first class, postage prepaid, to the Registered Owner of such Bond not less than ten (10) days prior to such Special Record Date, at the address of such Registered Owner appearing on the Bond Register, or may be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Bonds of this issue may be listed and upon such notice as may be required by such exchange. Interest will

accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the Original Issue Date shown above.

“County Business Day” means any date of the year on which (i) banking institutions in New York, New York or in Maryland are not authorized or obligated by law to remain closed or on which the New York Stock Exchange is not closed or (ii) the offices of the County are not authorized or obligated by law or required by an executive order of the County Executive to be closed.

All payments of the principal of, redemption price and interest on this Bond shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

REFERENCE IS MADE TO THE FURTHER PROVISIONS OF THIS BOND SET FORTH ON THE REVERSE SIDE HEREOF WHICH SHALL FOR ALL PURPOSES HAVE THE SAME EFFECT AS THOUGH FULLY SET FORTH HEREIN.

The full faith and credit and taxing power of Prince George’s County, Maryland are hereby irrevocably pledged to the payment of the principal of this Bond and of the interest payable hereon. To provide for the payment of this Bond, the County is empowered and directed to levy ad valorem taxes upon all the legally assessable property within the corporate limits of the County; such tax levy is subject, however, to the limitation set forth in Section 812 and Section 813 of the County Charter. Section 812 provides, in part, that the County shall not levy “a real property tax which would result in a total collection of real property taxes greater than the amount collected in fiscal year 1979; [except that the County] may levy a real property tax which would result in a total collection of real property taxes greater than the amount collected in fiscal year 1979 if the real property tax rate does not exceed Two Dollars and forty cents (\$2.40) for each One Hundred Dollars (\$100.00) of assessed value.” Section 813 provides that any ordinance or resolution levying or charging taxes or certain fees in excess of the amount levied in the preceding fiscal year shall be referred to a referendum of the qualified voters of the County.

In order to make real property tax bills simpler and easier to understand, the Maryland General Assembly enacted Chapter 80 of the Laws of 2000 providing that, beginning in tax year 2001 (Fiscal Year 2002) property tax for real property shall be applied to 100 percent, instead of 40 percent of the value of the real property and that the real property tax rate shall be adjusted to make the impact of revenue neutral. This State law also provides that any limit on a local real property tax rate in a local law or charter provision shall be construed to mean a rate equal to 40 percent times the rate stated in the local law or charter provision. As a result, the nominal real property rate of the County was adjusted to \$0.96/\$100 of the assessed value in FY 2002. In 2012, Maryland Senate Bill 848 provided, under certain circumstances, for the property tax rate to be set higher than the rate authorized under the County’s Charter. Additional revenue as a result of the increase in the property tax rate is for the sole purpose of funding the approved budget of the local school board. In compliance with such State law, County Council Resolution CR-____-20__ set tax rates for Fiscal Year ____ (including taxes levied with respect to County general obligation bonds issued prior to the effective date of Charter Section 812 and its predecessors) at \$____ for real property and \$____ for personal property upon each \$100 assessed value of all assessable property, real and personal, assessed according to the State laws and subject to taxation in the County.

The principal of and interest on this Bond are payable from annual appropriations of the proceeds of ad valorem taxes which the County is empowered and directed to levy, subject to said Section 812 and Section 813 limitations, upon all the legally assessable property within the corporate limits of the County. The County has covenanted, subject to said Section 812 and Section 813 limitations, to levy said ad valorem taxes in rate and amount sufficient for such payment in each fiscal year in which provision must be made for the payment of such principal and interest and in the event the proceeds from taxes so levied in any such fiscal year shall prove inadequate for such payment, to levy additional taxes, subject to said limitation, in succeeding fiscal years to make up such deficiency.

[A portion of the Bonds is being issued for public school facilities. The principal of and interest on this portion of the Bonds are expected to be paid in the first instance from amounts on deposit in a separate school facilities surcharge account established in the County's Capital Projects Fund subject to availability and appropriation for such purpose. In FY ____ a school facilities surcharge in the amount of \$_____ is imposed by the County on developing areas outside the beltway and \$_____ is imposed on developed areas within the beltway for which a building permit is applied (subject to partial exemptions in some regions). The surcharge is subject to adjustment for inflation. The surcharge is collected by the County from the builder at the time a building permit is issued for the dwelling unit. Under State law, the surcharge does not apply to mixed retirement developments, elderly housing, multi-family housing designated as student housing within 1.5 miles of the University of Maryland, College Park Campus, or any property located in an infrastructure-financing district approved prior to January 1, 2000. Pursuant to State law, revenue collected from the school facilities surcharge is required to be deposited in a separate account and can only be used to pay for additional or expanded public school facilities or debt service on bonds issued for such facilities or for new school construction.]

[A portion of the Bonds is being issued for school renovation facilities. The principal and interest on this portion of the Bonds are expected to be paid in the first instance from amounts on deposit in a separate Telecommunication Tax-Supported School Renovation Projects account established in the County's Capital Projects Fund, subject to availability and appropriation for such purpose. Md. Local Government Code Ann. Section 20-605, as amended, authorizes the County to levy and collect a sales and use tax on telecommunication service provided in the County at a rate not less than 5%. The Telecommunication Tax included in the County's Operating Budget for fiscal year 20__ is __%. Each vendor providing telecommunication service in the County is required to collect the tax on behalf of, and remit the tax to, the County. Of the net proceeds of the revenue from the telecommunications tax, at least ninety percent (90%) is to be used for school system operating expenditures, and the remainder is to be used to pay for capital expenditures for school renovation projects or debt service on the bonds issued by the County for school renovation projects.]

[A portion of the Bonds is being issued for mass transit facilities. The principal and interest on this portion of the Bonds will be payable in the first instance from a separate ad valorem tax levied and collected by the County on behalf of the Washington Suburban Transit Commission ("WSTC"). WSTC is authorized to direct the levy of a property tax on all taxable real and personal property in the County pursuant to the Washington Suburban Transit District Act (Chapter 870 of the Laws of Maryland, 1965), as amended. The County Attorney is of the opinion that real property taxes levied by WSTC are not subject to the limitations set forth in Sections 812 and 813 of the Charter.]

[A portion of the Bonds is being issued for stormwater management facilities. The principal and interest on this portion of the Bonds will be payable in the first instance from amounts on deposit in the Stormwater Management District Fund ("Stormwater Fund"). The County, by the adoption of CB-__-20__, has covenanted to levy in each fiscal year during which this portion of the Bonds is outstanding a direct ad valorem tax upon all property assessed for the purposes within the Stormwater Management District established pursuant to Subtitle 2 of Title 3 of Article 29 of the Annotated Code of Maryland ("Stormwater District"), at a rate sufficient to produce the amount needed to pay, in addition to the other costs of stormwater facilities to be paid from amounts in the Stormwater Fund, such principal and interest coming due during such fiscal year, and in the event the proceeds from the taxes so levied in any such fiscal year shall prove insufficient for such payment, to levy additional taxes within the Stormwater District in succeeding fiscal years to make up such deficiency.]

[A portion of the Bonds is being issued for solid waste management facilities. The principal and interest on this portion of the Bonds are expected to be paid in the first instance from net income of the County's Solid Waste Enterprise fund, subject to availability and appropriation for such purpose.]

It is hereby certified and recited that each and every act, condition, and thing required to exist, to be done, to have happened, and to be performed precedent to and in the issuance of this Bond, does exist, has been done, has happened and has been performed in full and strict compliance with the Constitution and laws of the State of Maryland, the County Charter, the Authorization Ordinance, the Enabling Acts of the County and the Executive Orders of the County Executive referred to herein, and that the issue of Bonds, of which this Bond is one, together with all other indebtedness of the County, is within every debt and other limit prescribed by the Constitution and laws of the State of Maryland and the County.

This Bond shall not become obligatory for any purpose or be entitled to any benefit under the above-mentioned laws, County Charter, Authorization Ordinance, Enabling Acts or Executive Orders until the Certificate of Authentication hereon shall have been signed by an authorized signatory of the Bond Registrar.

IN WITNESS WHEREOF, Prince George's County, Maryland has caused this Bond to be signed in its name by the manual or facsimile signature of its County Executive and its corporate seal to be affixed or imprinted hereon manually or by facsimile, attested by the manual or facsimile signature of the Clerk of the County Council of the County; and it has caused this Bond to be authenticated by the manual signature of an authorized signatory of the Bond Registrar.

When less than all of a registered Bond in a denomination in excess of \$5,000 shall be so redeemed, then, upon the surrender of such Bond, there may be issued to the Registered Owner thereof, without charge, for the unredeemed balance of the principal amount of such Bond, at the option of such Registered Owner, registered Bonds in any of the authorized denominations, the aggregate face amount of such Bonds not to exceed the unredeemed balance of the registered Bond so surrendered, and to bear the same interest rate and to mature on the same date as said unredeemed balance.

Said notice shall state for all Bonds being redeemed: the maturity date, certificate numbers, redemption date, redemption price, the address of the office of the Bond Registrar and Paying Agent with a contact person and telephone number, whether the Bonds are being redeemed in whole or in part and shall also state that the interest on the Bonds so called shall cease to accrue on the date fixed for redemption and shall require that the Bonds so called be presented for redemption and payment at the office of the Paying Agent.

From and after the date fixed for redemption, if due notice has been given as herein provided, and the funds sufficient for payment of the redemption price and accrued interest shall be available therefor on such date, the Bonds so designated for redemption shall cease to bear interest.

Upon presentment and surrender in compliance with said notice, the Bonds so called for redemption shall be paid by the Paying Agent at the redemption price plus any accrued interest. Registration Under DTC Book-Entry Only System

Initially, the Bonds are to be delivered and registered under the book-entry only system maintained by The Depository Trust Company, New York, New York ("DTC"). Notwithstanding anything to the contrary contained in this Bond, for so long as the Bonds are registered under the book-entry only system maintained by DTC, all references to the Registered Owner or Owners of the Bonds shall mean DTC or its partnership nominee, Cede & Co., or any successor thereto, and the manner and timing for making payments, giving notices, voting and selecting Bonds for redemption shall be governed by agreement between DTC and the County. The County may determine to replace DTC with a replacement securities depository at any time, in which event such replacement securities depository or its nominee shall be deemed to be the Registered Owner or Owners of all the Bonds, and the manner and timing for making payments, giving notices, voting and selecting the Bonds for redemption shall be governed by agreement between such replacement securities depository and the County. In addition, DTC or such replacement securities depository may determine to discontinue its services as a securities depository or the County may determine to discontinue a system of book-entry only registration of the Bonds, in which event Bonds will be delivered in authorized denominations of \$5,000 and integral multiples thereof to or at the direction of the participants of the then existing securities depository.

Minority Participation: The County encourages each bidder for the Bonds to make a good faith effort to include minority business enterprises in the syndicate purchasing the Bonds. Each bidder is requested to submit with its bid a listing of the initial members of the purchasing syndicate, setting forth the initial contribution of each member and identifying the minority business enterprises with an asterisk (*). Upon request, the Director of Finance of the County and the Financial Advisor to the County will make available a non-exclusive list of underwriters and investment bankers the County has identified as minority business enterprises.

Price and Interest Rate Bid: Each bidder shall submit one bid on an "all-or-none" basis. Each proposal must specify the amount of the bid for the Bonds, which must be not less than par, and must specify the rate or rates of interest to be paid thereon. Each rate of interest shall be a multiple of one-twentieth (1/20) or one-eighth (1/8) of one percent, but all Bonds of any one maturity must bear interest at the same rate. Any rate named may be repeated. The difference between the maximum and minimum interest rates may not be greater than 3%. A zero rate may not be named. For maturities from 20__ through 20__ , inclusive, no interest rate may be bid that is lower than the interest rate in the immediately preceding year.

If the Bonds qualify for issuance of any policy of municipal bond insurance any purchase of municipal bond insurance or commitment therefor shall be made at the sole option and expense of the bidder and any increased costs of issuance of the Bonds resulting by reason of such insurance (including, without limitation, the premium for any such policy of municipal bond insurance and the fees of any rating agencies in connection therewith) shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the purchaser of its contractual obligations arising from the acceptance of its proposal for the purchase of the Bonds.

Form of Non-Electronic Bids: Non-electronic bids must be submitted on the prescribed form accompanying this Notice of Sale and must be enclosed in a sealed envelope addressed "Director of Finance, Prince George's County, Maryland, Suite 1100, 1st Floor, Wayne K. Bids may be submitted electronically via PARITY pursuant to this notice until :__a.m., prevailing Eastern Time, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this notice, the terms of this notice shall control. For further information about PARITY, potential bidders may contact PARITY at i-Deal LLC (817) 885-8900 or (212) 849-5021.

Disclaimer: Each prospective electronic bidder shall be solely responsible to submit its bid via PARITY as described above. Each prospective electronic bidder shall be solely responsible to make necessary arrangements to access PARITY for the purpose of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the County nor PARITY shall have any duty or obligation to provide or assure access to PARITY to any prospective bidder, and neither the County nor PARITY shall be responsible for proper operation of or have any liability for any delays or interruptions of, or any damages caused by PARITY. The County is using PARITY as a communication mechanism, and not as the County's agent, to conduct the electronic bidding for the Bonds. The County is not bound by any advice and determination of PARITY to the effect that any particular bid complies with the terms of this Notice of Sale and in particular the bid parameters set forth herein. All costs and expenses incurred by prospective bidders in connection with their submission of bids via PARITY are the sole responsibility of the bidders; and the County is not responsible, directly or indirectly, for any such costs or expenses. Electronic Bidding Procedures: Electronic bids must be submitted for the purchase of the Bonds (all or none) via PARITY. Once the bids are communicated electronically via PARITY to the County, each bid will constitute an irrevocable offer to purchase the Bonds on the terms therein provided. For purposes of the electronic bidding process, the time as maintained on PARITY shall constitute the official time.

*Preliminary, subject to change.

Good Faith Deposit: As a condition precedent to the consideration of any bid proposal, each bidder shall provide with its proposal a good faith deposit in the amount of \$_____* (the "Deposit"). The Deposit shall be in the form of (i) a certified, cashier's or treasurer's check drawn on a responsible financial institution payable to the order of Prince George's County, Maryland, or (ii) a financial surety bond naming the County as beneficiary. If a financial surety bond is to be provided, it must be from an insurance company whose claims paying ability is rated AAA by S&P Global Ratings, a division of S&P Global, Inc. or Aaa by Moody's Investors Service, and which is licensed to issue such a bond in the State of Maryland, and shall name the County as beneficiary (such bond is herein referred to as a "Financial Surety Bond"). In addition, the proposed form of any Financial Surety Bond, including the identity of the insurance company, must be provided to _____, Bond Counsel to the County, by facsimile transmission to (____)_____ not later than 3:00 p.m. prevailing Eastern Time on the

business day immediately preceding the bid date. The Financial Surety Bond must identify the bidder whose Deposit is guaranteed by the Financial Surety Bond. If the Bonds are awarded to a bidder utilizing a Financial Surety Bond, then that purchaser is required to submit the amount of the Deposit to the County by wire transfer as instructed by the County not later than noon prevailing Eastern Time on the next business day following the award. If such Deposit is not received by that time, the Financial Surety Bond may be drawn by the County to satisfy the Deposit requirement.

If the successful bidder does not carry out the terms of its proposal to purchase the Bonds, the County will be damaged in an amount difficult or impossible to ascertain or estimate, and consequently the County may then retain the entire amount of such bidder's Deposit as stipulated and liquidated damages. Any Deposit of unsuccessful bidders in the form of a check will be returned upon the award of the Bonds. No interest will be paid upon the Deposit by a bidder.

Award of Bonds: The Director of Finance of the County will not consider and will reject any bid for the purchase of less than all of the Bonds. No bid at less than par plus accrued interest, if any, will be considered. The right is reserved to reject any and all bids.

The County expects and intends that the bid for the Bonds will satisfy the federal tax requirements for a qualified competitive sale of bonds, including, among other things, receipt of bids for the Bonds from at least three underwriters, who have established industry reputations for underwriting new issuances of municipal bonds (a "Qualified Competitive Bid"). The County will advise the bidders as promptly as possible after the bids are opened whether the bid constitutes a Qualified Competitive Bid, or, in the alternative a bid that fails to satisfy such requirements (a "Nonqualified Competitive Bid").

If the bid for the Bonds is a Qualified Competitive Bid, the award of the Bonds, if made, will be made as promptly as possible after the bids are opened to the bidder offering the lowest interest rate to the County. If the bid for the bond is a Nonqualified Competitive Bid, the award of the Bonds, if made, will be made promptly as possible after the bids are opened to the bidder offering the lowest interest rate to the County among the bidder or bidders that have confirmed to the County, not later than [TIME], that the bidder or bidders will proceed with the bid for the Bonds following the procedures for a Nonqualified Competitive Sale described below, which are provided to establish the initial sale prices or initial offering prices, as applicable, of the Bonds. **It is noted that such procedures for a Nonqualified Competitive Bid may require the winning bidder and, if applicable, other underwriters of the Bonds, to hold the initial offering prices for certain maturities of the Bonds for up to 5 business days after the sale date, as further specified in form of required certification described below.** The lowest interest rate shall be determined in accordance with the true interest cost (TIC) method by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from the payment date to the sale date of the Bonds and to the price bid, excluding interest accrued to the date of delivery, if any. If two or more responsible bidders have made proposals for the Bonds, each of which represents the lowest true interest cost to the County, then the Bonds shall be awarded to the bidder offering the highest premium, and, if the highest premium is offered by two or more such bidders or if no premium is bid by any of such bidders, then the Bonds may be awarded, with their consent, in a ratable portion among such bidders, or the County may, in its sole discretion, determine to which of such bidders the Bonds will be awarded. The judgment of the Director of Finance shall be final and binding upon all bidders with respect to the form and adequacy of any bid received and as to its conformity to the terms of this Notice of Sale.

Each bidder for the Bonds shall make a good faith effort to solicit minority business enterprises to participate in the syndicate purchasing the Bonds, but such requirement shall in no way affect the award of the Bonds.

Delivery and Payment: The Bonds will be delivered at :_____a.m. prevailing Eastern Time on_____, 20__* or at such other time or on such earlier or later date as shall be mutually agreed upon by the County and the successful bidder (the "Closing"), at the expense of the County, at the offices of DTC in New York, New York, or at such other place as shall be mutually agreed upon by the County and the successful bidder, upon payment of the amount of the successful bid (including any premium), plus accrued interest to the date of delivery, less the amount of the good faith deposit. Such payment shall be made in federal funds by wire transfer to a designated bank account of the County. At the time of Closing, there will be delivered to the successful bidder the other closing documents hereinafter mentioned and the successful bidder will provide evidence satisfactory to the County that funds have been transferred and are immediately available to the County. It is anticipated that separate CUSIP identification numbers for each maturity will be printed on the Bonds, but neither the failure to print any such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with the terms of this Notice of Sale. When delivered, the Bonds shall be duly executed and authenticated and registered in the name of Cede & Co., the partnership nominee of DTC, with one Bond representing each maturity of the Bonds, each in the aggregate principal amount of such respective maturity.

The Bonds may be inspected by the successful bidder at the office of DTC at least one business day prior to Closing.

Legal Opinion: The issuance of the Bonds will be subject to legal approval by _____ whose approving opinion will be delivered upon request, without charge, to the successful bidder for the Bonds.

Official Statement: Within seven (7) business days after the award of the Bonds to the successful bidder on the date of sale, the County will authorize and deliver to the successful bidder an Official Statement, which is expected to be substantially in the form of the Preliminary Official Statement referred to below. If so requested by the successful bidder at or before the close of business on the date of the sale, the County will include in the Official Statement pricing and other information with respect to the terms of the reoffering of the Bonds by the successful bidder (the "Reoffering Information"). If no Reoffering Information is specified and furnished by the successful bidder, the Official Statement will include the interest rates on the Bonds resulting from the bid of the successful bidder and the other statements with respect to reoffering contained in the Preliminary Official Statement. The successful bidder shall be responsible to the County and its officials for the Reoffering Information, and for all decisions made by the successful bidder with respect to the use or omission of the Reoffering Information in any

reoffering of the Bonds, including the presentation or exclusion of any Reoffering Information in any documents, including the Official Statement. The successful bidder will also be furnished, without cost, with up to 300 copies of the Official Statement (and any amendment or supplement thereto that is prepared other than as a result of incorrect underwriting information or Reoffering Information furnished by the successful bidder or that is prepared because of a failure of the successful bidder).

The County will undertake to provide the successful bidder with further additional information to be included in such Official Statement when, in the opinion of the County or of Bond Counsel, such additional information constitutes a material change to such Official Statement. The County will take such steps as are necessary to arrange for amending and supplementing the Official Statement in connection with the disclosure of such additional information; provided, however, that the County shall have no obligation to provide such additional information after the date which is 25 days after the "end of the underwriting period," as such term is defined in Securities and Exchange Commission Rule 15c2-12. The successful bidder for the Bonds agrees to provide promptly copies of the Official Statement to a nationally recognized municipal securities information repository in accordance with Securities and Exchange Commission Rule 15c2-12.

Continuing Disclosure: In order to assist bidders in complying with Rule 15c2-12(b)(5) of the Securities and Exchange Commission, the County will undertake, pursuant to a Continuing Disclosure Certificate, to provide (i) certain financial information and operating data annually, and (ii) notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the Preliminary Official Statement and also will be set forth in the final Official Statement.

It shall be a condition to the obligation of the successful bidder to accept delivery of and pay for the Bonds that simultaneously with or before delivery and payment for the Bonds, such successful bidder shall be furnished with a fully-executed copy of the Continuing Disclosure Certificate.

Closing Documents: The Bonds will be accompanied by customary closing documents, including a no-litigation certificate, effective as of the date of delivery, stating that there is no litigation pending affecting the validity of the Bonds.

It shall be a condition to the obligation of the successful bidder to accept delivery of and pay for the Bonds that simultaneously with or before delivery and payment for the Bonds such successful bidder shall be furnished a certificate of the appropriate County officials to the effect that to the best of their knowledge and belief, the Official Statement (and any amendment or supplement thereto) (except for the Reoffering Information, information concerning DTC and its book-entry system, and information regarding any municipal bond insurance obtained with respect to the Bonds, as to which no view will be expressed) as of the date of sale and as of the date of delivery of the Bonds does not contain any untrue statement of a material fact and does not omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and that between the date of sale and the date of delivery of the Bonds there has been no material adverse change in the financial position or revenue of the County, except as reflected or contemplated in the Official Statement.

If the County advises the bidders that the bid for the Bonds constitutes a Qualified Competitive Bid, the winning bidder shall be required to provide to the County information to establish the initial expected offering prices for each maturity of the Bonds for federal income tax purposes by completing a certificate acceptable to Bond Counsel in substantially the form set forth in Exhibit [A-1] to the Preliminary Official Statement, with appropriate completions, amendments and attachments.

If the County advises the bidders that the bid for the Bonds constitutes a Nonqualified Competitive Bid, the winning bidder shall be required to provide to the County information and assurances to establish the initial sale prices or the initial offering prices, as applicable, for each maturity of the Bonds for federal income tax purposes by completing a certification acceptable to Bond Counsel in substantially the form set forth in Exhibit [A-2] to the Preliminary Official Statement, with appropriate completions, omissions and attachments.

The successful bidder for the Bonds, by submitting its bid, agrees to provide a comparative coupon and yields statement for an uninsured transaction if it bids with insurance.

Right to Modify or Amend Notice of Sale; Right to Change Sale: The County reserves the right to modify or amend this Notice of Sale, including as described under "Adjustments to Maturity Schedule" above.
