Amendment for the Henson Creek-South  
Potomac Planning Area***

Dear Chair Dernoga:

The Prince George's County Planning Board appreciates the opportunity to review the District Council proposed revisions to the adopted Minor Master Plan Amendment and endorsed Sectional Map Amendment to the 2006 *Approved Master Plan and Sectional Map Amendment for the Henson Creek-South Potomac Planning Area*, received on November 1, 2023, and transmit its comments on the revisions. The Board's comments are set forth below in Tables 1 and 2. Overall, the Planning Board opposes Revisions One and Two to the Minor Master Plan Amendment, as well as Revision One to the Sectional Map Amendment. The Planning Board, as opined through its adoption of the Minor Plan Amendment and endorsement of the Sectional Map Amendment on September 14, 2023, believes the existing future land use designation of Residential Medium and existing CGO/RMF-12 zoning are most appropriate for 2112 Brinkley Road given its adjacency and proximity to multifamily and townhouse developments with medium- and high-density land use designations.

Sincerely,

Peter A. Shapiro  
Chair

The Planning Board recommends "Map 1: Plan Concept" retain the subject property in the "Medium to High Intensity Residential Area" shading and retain the label to be consistent with the adopted minor plan amendment.
