AFFECTED CODE SECTIONS:**BACKGROUND INFORMATION/FISCAL IMPACT:**

This Bill authorizes the borrowing, administration and repayment of an amount not to exceed \$45,000,000 from the Maryland Water Infrastructure Financing Administration for the purpose of funding the County's obligations under its National Pollution Discharge Elimination System Municipal Separate Storm Sewer Discharge Permit ("MS4 Permit") to store or treat stormwater runoff in order to mitigate flooding, reduce pollutions loads, and achieve impervious surface credits. Loan proceeds will be used for the retrofitting of approximately 425 impervious acres on multiple sites within the County. Multiple projects will be planned, designed, and constructed within the area subject to the MS4 Permit and will utilize a wide array of treatment options approved by the Maryland Department of the Environment including small rain gardens, large urban retrofit solutions involving suburban drain inlet modifications, pond retrofits, stream and shoreline restorations, green streets, high-flow media treatment devices, bio-swales and other green infrastructure.

The mission of the Maryland Water Infrastructure Financing Administration is to provide financial assistance in the form of low interest rate loans and/or grant funding for clean water and drinking water capital projects across the State. The County has been the recipient of a 30-yr MWIFA clean water loan for \$48,000,000 with an interest rate of 0.7% ("SRF 1"), authorized by CB-076-2017. In addition,

CB-076-2020 authorized an additional \$100,000,000 clean water loan for SRF 2 and SRF 3.

This Bill will authorize borrowing up to \$45 million of subsidized long-term loans from MWIFA as follows:

SRF 4: FFY 2020/SFY 2022 Water Infrastructure State Revolving Fund (WISRF) Intended Use Plan (IUP) Project Name: Urban Stormwater Retrofit Public-Private Partnership, PH 4 WQSRF Loan

Amount: \$30,000,000

SRF 5: FFY 2021/SFY 2023 Water Infrastructure State Revolving Fund (WISRF) Intended Use Plan (IUP) Project Name: Urban Stormwater Retrofit Program Public-Private Partnership, PH 5 WQSRF

Loan Amount: \$15,000,000
