**FROM:** Renee Battle-Brooks, Director

**RE:** Second Round FY 2025 Proposed Budget Responses

During the Staff Review, OHR requested that a follow-up question would be needed to their response to question #22 b. The agency mentioned that the number of participants is difficult to capture for certain events.

1. For question 22.b., is it safe to assume that these were in-person events?

**The events co-hosted and facilitated by the Human Trafficking Division and organizations that are part of the Prince George's County Human Trafficking Task Force (PGCHTTF) have been a combination of in-person and virtual.**

2. If so, is there a number of participants per event that the Human Trafficking Division holds?

**Based on the data collected during FY 2024, the Human Trafficking Division and the PGCHTTF have reached a total of 1,615 participants, 537 of whom participated in our virtual events and 1,078 of whom participated in our in-person events.**
