CR-021-2024 draft 2, a resolution concerning adjustments to approved position grades for the purpose of adjusting the number of positions in certain grades. The resolution amends the authorized staffing count and/or grade classification of positions in 12 agencies.

The agencies include - the Office of Human Rights, Office of Law, Office of Finance, Health Department, Department of Family Services, Office of Community Relations, Circuit Court, Department of Permitting, Licensing and Enforcement, Department of Environment, Office of the Sheriff, Department of Corrections, and the Legislative Branch.

During the Committee of the Whole, Sakinda Skinner, County Council Liaison Office of the County Executive, requested favorable support for the legislation, and Director Earley of the Office of Management and Budget described the amendment, which is due to the Department of Housing and Community Developments request to reallocate two positions. These positions support the Housing Authority. The overall authorized staffing count does not change. The two additional changes are:

- Grade increase of an Info Tech Manager 1G (FT – G29) to an Attorney 5G (FT – G33) to meet agency operational needs.
- Grade increase of a Community Services Manager-G (FT – G31) to a Deputy Director-G (FT – G35) to meet agency operational needs.

After further discussion, the Committee of the Whole voted favorably with amendments 9-0.
