The Honorable Krystal Oriadha
Chair
Prince George's County Council
Wayne K. Curry County Administration Building
1301 McCormick Drive
Largo, Maryland 20774

Dear Chair Oriadha:

Enclosed for the County Council's consideration is a Resolution for approval by the Prince George's County Council ("the Council") in support of an Executive Order directing the reconstitution of the Climate Action Implementation Task Force to develop the five remaining climate action implementation strategies needed to finalize the Climate Action Implementation Strategy Plan (CAISP). The Executive Order also reaffirms the County's Climate Resident Advisory Group's role in providing regular strategic input and feedback to help the County achieve its emissions and resilience goals.

The Council's favorable consideration of this legislation is greatly appreciated. If you have questions, please contact my office or contact Samuel B. Moki, Ph.D., Director, Department of the Environment, at (301) 883-5812.

Sincerely,

Aisha N. Braveboy
County Executive
