Legislative Summary:

CR-093-2026[1], proposed and sponsored by Councilmember Oriadha was introduced on September 8, 2026, and referred to the Government, Operations, and Fiscal Policy (GOFP) Committee. This resolution would modify the procedural rules for the County Council by requiring the Council to conduct listening tours in different parts of the County at the start of each calendar year.

Current Law/Background:

The current law also allows the Chair to call additional meetings upon notice to each Councilperson or shall call a meeting with the potation of majority of the Council. Further, the chair may designate additional legislative days, subject to limitations proposed by law. Additionally, the rules of procedure establish that meetings shall be held at the County Administration Building or other places the Council shall designate.
