COMMITTEE REPORTS:

TRANSPORTATION, HOUSING AND ENVIRONMENT COMMITTEE

Date 10/11/2007

Committee Vote: Favorable as amended, 4-0 (In favor: Council Members Dernoga, Campos, Harrington and Turner)

Staff summarized the purpose of the resolution. CB-15-2007 (DR-2) establishes a Common Ownership Communities Program to assist governing bodies, owners, and residents of homeowners' associations, residential condominiums, and cooperative housing corporations with education, training, and alternative dispute resolution services in matters relating to these communities.

The bill was held in committee on 6/14/2007 to address concerns posed by the Committee members. The Committee's initial concerns on fees, penalties and advertising to Home Owners Associations (HOAs), was addressed at the meeting. The proposed draft annulled the fees and allows the Office of Community Relations (OCR) to get information on all Common Ownership Communities Program (COCP) in the County.

The Office of Law determined that CB-15-2007 (DR-2) was in proper legislative form.

The Office of Audits and Investigation indicated that eliminating the proposed registration fees and penalties will take away the potential for additional revenues to partially offset program expenses related to the COCP. The Office of Audits and Investigation further states there will not be a material fiscal impact on the County as a result of enacting CB-15-2007 (DR-2).
