Staff provided a summary of the resolution and referral comments that were received. CR-60-2013 authorizes and approves the filing of an application with the Maryland Transit Administration of the State of Maryland Department of Transportation for an FY 2014 and FY 2015 grant under Title 49 U.S.C 5316 as amended by SAFETEA-LU Job Access and Reverse Commute (JARC) and Section 5317 – New Freedom Programs under the Federal Transit Act.

Ms. Bruce, County Department of Public Works and Transportation (DPWT), Transit Division, provided testimony in support of CR-60-2013 and answered questions from the Committee. She explained that the County partnered with Charles County in the application to provide transit services to the Brandywine Crossing area of the County and received an award of approximately \$272,000.

The Office of Law determined that CR-60-2013 was in proper legislative form and no legal impediments to its adoption.

The Office of Audits and Investigation indicated there will be a adverse fiscal impact on the County for unknown amount of the local share of projects costs as a result of adopting CR-60-2013.
