#### BACKGROUND INFORMATION/FISCAL IMPACT:

The County allocated \$1,119,000 to Crossland High School in Fiscal Year 2017 from the half-year budgeted video lottery terminal revenue from MGM National Harbor, approximately 25% of the Local Impact Grant (excluding funds reserved by state law for Maryland Highway 210). The allocation was for the purpose of establishing a signature career and technology academy for the vocational, technical, and skilled trades in industry areas like construction, technology, and human services. The proposed legislation will create a dedicated and recurring funding investment at Crossland High School by requiring the County, beginning in Fiscal Year 2018, to annually allocate 25% of the Local Impact Grant up to an amount not to exceed \$2.2 million.

6/6/2017: CB-22-2017 (DR-2) was amended on the floor prior to enactment as follows: On page 2; line 23 add "<u>at least</u>" before <u>25%</u>. CB-22-2017 (DR-3) enacted.
