Committee Vote: Favorable, 3-0-1 (In favor: Council Members Harrison, Patterson, and Toles. Abstain: Council Member Glaros)

Council staff summarized the purpose of CB-71-2017 and informed the Committee of written referral comments received. Council Member Toles, the bill sponsor, informed the Committee that this legislation will facilitate the development of eating or drinking establishment uses within a unique area in her district.

The Planning Board took no position on CB-71-2017 and provided an analysis in a June 29, 2017 letter to the Council Chairman. The Office of Law reviewed the legislation and suggested a technical amendment to the footnote number on page 2. The County Council's Zoning and Legislative Counsel informed the Committee that the next appropriate sequential footnote number is assigned at the time of bill codification.

The Committee voted favorable on CB-71-2017 as drafted.
