**REPORT:**

Committee Vote: 8-0. In favor: Council Members Glaros, Davis, Franklin, Lehman, Patterson, Taveras, Toles and Turner. Absent: Council Member Harrison

The County Council convened as the Committee of the Whole on Monday, July 2, 2018, to consider CB-29-2018, being legislation to establish a Commercial Property Assessed Clean Energy Program (C-PACE) for certain commercial property owners within the County. The County Council staff provided a brief overview of the legislation, explaining that the bill will promote energy efficiency and improvements related to clean energy by authorizing certain financing incentives for commercial property owners in partnership with certain participating financial lenders for the program.

During discussion by members regarding the mechanics and merits of the proposed legislation, Council Member Franklin proffered an 'Amendment No. 1' to the bill, which would have amended CB-29-2018 (DR-1), on Page 6, Lines 5—6, as follows:

County-based minority business enterprises , ~~County based small businesses, County based businesses, and minority business enterprise firms.~~ and County-based small businesses.

Upon motion by Council Member Franklin, seconded by Council Member Patterson, the motion FAILED as to Amendment No. 1 by a vote of 3—5 (In favor: Council Members Franklin, Patterson and Taveras, Opposed: Council Members Glaros, Davis, Lehman, Toles and Turner; Absent: Council Member Harrison).

Accordingly, and the above-referenced motion to amend having failed, the Committee of the Whole thereupon moved and unanimously voted for a favorable recommendation as to DR-1 of CB-29-2018.
