

Prince George's County Council

February 14, 2019

Ms. Lyons

Telecommunications Transmitting Facility Coordinating Committee, Chair
Prince George's County Department of Permitting, Inspections
and Enforcement
9400 Peppercorn Place
5th Floor
Largo, MD 20774

Dear Ms. Lyons,

With this letter the Prince George's County Council acknowledges receipt of the 2018 Telecommunications Transmitting Facility Coordinating Committee (TTFCC) report. After a review of the TTFCC 2018-2019 plan, including the existing antenna sites and the proposed future locations the County Council has no further comment about the telecommunications siting process.

The Council will be monitoring the ongoing developments at the state and local level in "small cell technology" with attention on digital inclusion throughout Prince George's County.

Sincerely,

Todd Turner

Chair, Prince George's County Council
