Dear Mr. Cetrano,

It is my pleasure to inform you that on Monday, January 7, 2018, the Hyattsville City Council voted unanimously to provide a letter in support of StreetCar 82 Brewing Co.'s efforts to establish a food truck hub here in Hyattsville.

It is the City's understanding that you intend on operating a food truck hub on Saturdays only, during the existing business hours of operation and the food truck(s) will be parked on private property.

The City of Hyattsville recognizes the social and economic benefits of food truck hubs, furthermore we are confident that Prince George's County has in place the regulatory requirements to ensure that a food truck operation in Hyattsville will provide a public benefit to our community and for that reason, we are conveying our support for your efforts.

We thank you for your continued contribution to our community and look forward to your establishing the first food truck hub in the City of Hyattsville.

Sincerely,

Candace B. Hollingsworth  
Mayor
