COMMITTEE REPORT

2019 Legislative Session

Reference No.:	CR-68-2019
Draft No.:	1
Committee:	Health, Human Services and Public Safety
Date:	9/18/2019
Action:	FAV

REPORT:

Committee Vote: Favorable, 4 – 0 (In favor: Hawkins, Ivy, Harrison and Taveras)

The Health, Human Services & Public Safety Committee met on September 18, 2019, to consider CR-68-2019. This resolution authorizes the creation of a Food Truck Hub in Downtown Upper Marlboro. During the committee discussion it was noted that this legislation may be duplicative considering the passage of CR-73-2019, which authorizes Food Truck Hubs in incorporated municipalities. The Town of Upper Marlboro would be responsible for satisfying the requirements for the Food Truck Hub License as enumerated in Section 5-189.01 of the County Code.

The Food Truck Hub Oversight Committee Chair spoke in support of the legislation.

The Office of Law found the legislation to be in proper legislative form with no legal impediments to its enactment.

DPIE Director Melinda Boling expressed support for CR-68-2019, and stated that additional authority may need to be granted to DPIE to operate within municipalities.

The Policy Analysis and Fiscal Impact Statement indicated that adoption of CR-68-2019 may have positive fiscal impact to the County in the amount of the food truck hub application fee collected and may also realize positive fiscal impact from any fines collected as a result of violations of the Food Truck Hub provisions.
