# PRINCE GEORGE'S COUNTY GOVERNMENT

## OFFICE OF THE COUNTY EXECUTIVE

May 29, 2020

The Honorable Todd M. Turner  
Chair  
Prince George's County Council  
County Administration Building  
14741 Governor Oden Bowie Drive  
Upper Marlboro, Maryland 20772

Dear Chair Turner:

Enclosed for the County Council's consideration is a proposed bill that would authorize the administrative adjudication of matters involving violations of the Building Code. If enacted, this legislation will increase the County's available options to address building code violations, particularly by allowing them to be adjudicated through the existing administrative citation process. The legislation would also clarify certain initiatives that were put forth in CB-047-2019 and would update the organization of the Building Code as adopted by Prince George's County to ensure that it correctly aligns with the underlying codes as promulgated by the International Code Council.

The Council's favorable consideration of this legislation is greatly appreciated. If you have questions, please contact my office or contact Melinda Bolling, Director, Department of Permitting, Inspections and Enforcement at (301) 636-2020.

Sincerely,

A handwritten signature in blue ink that reads "Angela D. Alsobrooks".
