## OFFICE OF THE COUNTY EXECUTIVE

February 11, 2021

The Honorable Calvin S. Hawkins, II  
Council Chair  
Prince George's County Council  
County Administration Building  
14741 Governor Oden Bowie Drive  
Upper Marlboro, Maryland 20772

Dear Chair Hawkins:

Enclosed for the County Council's consideration is a resolution to approve a multi-year Master Lease Agreement to fund essential Prince George's County technology equipment that is the industry standard for network-attached high-volume data storage. The storage is a shared resource engineered to support County agencies' data supported by the enterprise IT infrastructure as well as video for body-worn camera used by public safety. This resolution is needed in order to obtain the County Council's approval to comply with Section 819 of the Prince George's County Charter, as this contract exceeds the Five Hundred Thousand Dollars (\$500,000.00) threshold.

The Council's favorable consideration of this legislation is greatly appreciated. If you have any questions, please do not hesitate to contact my office or Wanda Gibson, Director/Chief Information Officer, Office of Information Technology, at (301) 883-5440.

Sincerely,

Angela D. Alsobrooks  
County Executive
