RESOLUTION

A RESOLUTION concerning

The Washington Suburban Sanitary Commission

For the purpose of modifying the System Development Charge (SDC) to help finance the capital costs of expanding and augmenting water and sewage systems to accommodate service to subscribers in the Washington Suburban Sanitary District (WSSD) and to provide a financing mechanism to aid the Washington Suburban Sanitary Commission (Commission) in paying for the capital projects thereof by providing methods and procedures by which the SDC is to be implemented and/or collected.

WHEREAS, the Maryland General Assembly adopted House Bill 883, Chapter 559, 1993
Laws of Maryland, System Development Charge legislation during its 1993 Session, a bill which provides the enabling authority for the Montgomery and Prince George's County Councils to establish a fee which will be paid by applicants for new service; and

WHEREAS, the Maryland General Assembly adopted House Bill 832, Chapter 713, 1998 Laws of Maryland, System Development Charge legislation during its 1998 Session, a bill which, among other things, alters the schedule for the payment of the System Development Charge to the Commission for certain properties; establishes a new maximum System Development Charge per fixture unit; allows for and limits the amount of certain exemptions; establishes a maximum System Development Charge based on the number of toilets per dwelling; authorizes a change in the maximum System Development Charge for certain residential units based on the number of toilets per dwelling; and

WHEREAS, the Commission owns and operates various water treatment and sewage treatment disposal plants and facilities within the WSSD and utilizes and has an equity share in

sewage treatment plants operated by other jurisdictions to treat sewage generated in portions of the WSSD; and

WHEREAS, it is necessary that the Commission, with the advice and consent of the local governing bodies within the WSSD, develop alternative funding to cover the costs of providing quality water and sewer service in the WSSD, and to similarly accommodate new growth therein as authorized by the County Governments; and

WHEREAS, the System Development Charge is a component of the Commission's Fiscal Year 2022 Capital and Operating budgets prepared pursuant to Section 17-202, Public Utilities Article, of the Annotated Code of Maryland; and

WHEREAS, the Commission modified the System Development Charge effective July 1, 1995 to \$160.00 by Commission Resolution No. 95-1475, effective July 1, 1998 to \$200.00 by Commission Resolution No. 98-1555, effective July 1, 1999 to \$203.00 by Commission Resolution No. 99-1578, and continued at \$203.00 by Commission Resolution No. 2000-1604; Commission Resolution No. 2001-1625; Commission Resolution No. 2002-1650; Commission Resolution No. 2003-1674; Commission Resolution No. 2005-1729; Commission Resolution No. 2009-1925; Commission Resolution No. 2010-1873; Commission Resolution No. 2011-1917; Commission Resolution No. 2012-1959; Commission Resolution No. 2013-2012; Commission Resolution No. 2014-2053; Commission Resolution No. 2015-2084; Commission Resolution No. 2016-2127; Commission Resolution No. 2017-2157; Commission Resolution No. 2018-2187; Commission Resolution No. 2019-2225; and Commission Resolution No. 2020-2253; and WHEREAS, for all of the foregoing reasons it is necessary or desirable to continue the

imposition of a System Development Charge fee; and

WHEREAS, Chapter 713, 1998 Laws of Maryland, provides that the Montgomery and Prince George's County Councils may adopt, and the Commission may implement, a System Development Charge not to exceed \$203.00 per fixture unit or for residential properties with five or fewer toilets, not to exceed certain enumerated amounts based on the number of toilets per dwelling unit effective July 1, 1998; and

WHEREAS, Chapter 713, 1998 Laws of Maryland, provides that on July 1, 1999 and each July 1 of each succeeding year, the maximum charge may be changed by an amount equal to the prior calendar year's change in the consumer price index published by the Bureau of Labor

Statistics of the United States Department of Labor for urban wage earners and clerical workers
 for all items for the Washington D.C. Metropolitan Area; and

WHEREAS, the Maryland General Assembly enacted House Bill 636, Chapter 124, 2013 Laws of Maryland, System Development Charge Exemptions legislation during its 2013 Session, a bill which allows an exemption of up to \$80,000 to certain properties used primarily for recreational and educational programs and services to youth effective July 1, 2013; and

WHEREAS, the consumer price index published by the Bureau of Labor Statistics of the United States Department of Labor, for urban wage earners and clerical workers for all items for the Washington D.C. Metropolitan Area increased 1.6% from November 2019 to November 2020; and

WHEREAS, the Commission recommends keeping the System Development Charge rates unchanged for FY 2022. However, the Commission recommends increasing the maximum allowable charge by 1.6% from FY 2021 limits in order to maintain future rate flexibility to address future potential growth funding gaps; and

WHEREAS, the County Councils of Prince George's County and Montgomery County met and approved the modifications to the System Development Charge set forth below on May 13, 2021.

NOW, THEREFORE BE IT RESOLVED by the County Council of Prince George's County, Maryland, that the County Council hereby adopts the approved System Development Charge fee schedule as set forth herein. For the purposes of this Resolution, the following definitions apply:

A. <u>Definitions.</u>

(1) <u>Apartment Unit</u> means one of several single-family residential units within one building that is not a "multi-unit dwelling." For purposes of this resolution, an "apartment unit" must contain at least one full bath and kitchen, but not more than two toilets. An "apartment unit" typically includes, but is not limited to, an individual dwelling unit in a garden, medium or high-rise type residential building.

(2) <u>Biotechnology Research and Development or Manufacturing</u> means any development as jointly defined and approved by the Montgomery and Prince George's County Councils as eligible for a waived System Development Charge, more particularly described in Schedule C, attached.

31

1	(3) <u>Drainage Charge</u> is the portion of the System Development Charge applicable to		
2	drainage fixture units for apartments and residential properties having five or fewer toilets.		
3	(4) <u>Drainage Fixture Unit Value</u> is a measure of the probable discharge into the drainage		
4	system by a particular plumbing fixture in terms of volume rate of discharge and duration		
5	of a single drainage operation and the time between successive operations.		
6	(5) <u>Dwelling Unit</u> means a single-family housing unit used as a residence, including		
7	trailers and mobile homes.		
8	(6) Elderly Housing means residential units as jointly defined and approved by the		
9	Montgomery and Prince George's County Councils as eligible for a waived System		
10	Development Charge, more particularly described in Schedule D and Schedule E attached.		
11	(7) <u>Hookup</u> means the joining of the on-site water and/or sewer line(s) to the		
12	Commission's service connection or the installation of plumbing fixtures in a building		
13	served by the Commission's water and/or sewer facilities.		
14	(8) <u>Multi-Unit Dwelling</u> means a building that will accommodate several housing units on		
15	a lateral basis; namely, semi-attached houses, row houses, or townhouses used as		
16	residences.		
17	(9) <u>New Service</u> means:		
18	(a) the first-time hook-up of a property to the Commission's water and/or sewer		
19	system; or		
20	(b) a new connection or increased water meter size for a property previously or		
21	currently served by the Commission if the new connection or increased meter size		
22	is needed because of a change in the use of the property or an increase in demand		
23	for service at the property.		
24	(10) Non-Residential Unit is a structure not otherwise defined as a Residential Unit,		
25	generally commercial or industrial in nature. Examples may include shopping malls, non-		
26	residential townhouses, warehouses, industrial buildings, restaurants, schools, dormitories,		
27	hospitals, hotels, motels, nursing homes, office buildings, churches, theaters, and similar		
28	commercial or industrial buildings.		
29	(11) Property Used Primarily for Child Care and After-School Care means land with		
30	improvements or condominium units, owned in fee simple by an individual or organization		
31	licensed by the State of Maryland to provide child day care services, for which child day		

1	care or after-school care is a principal use of this property as defined in the Montgomery		
2	County or Prince George's County Zoning Codes, as applicable. This exemption is assumed		
3	to include condominiums as fee simple property, consistent with Andrews v. City of		
4	Greenbelt, 293 Md. 69 (1982).		
5	(12) Property Used Primarily for Programs and Services for Developmentally Disabled		
6	Individuals means land with improvements or condominium units, owned in fee simple by		
7	an individual or organization licensed by the State of Maryland to provide services to		
8	developmentally disabled individuals, for which services to developmentally disabled		
9	individuals is a principal use of this property as defined in the Montgomery County or		
10	Prince George's County Zoning Codes, as applicable. This exemption is assumed to include		
11	condominiums as fee simple property, consistent with Andrews v. City of Greenbelt, 293		
12	Md. 69 (1982).		
13	(13) Property Used Primarily for Recreational and Educational Programs and Services to		
14	Youth means real property, owned in fee simple, by a Community Based Organization as		
15	jointly defined and approved by the Montgomery and Prince George's County Councils as		
16	eligible for a System Development Charge exemption, more particularly described in		
17	Schedule F, attached.		
18	(14) Public Sponsored or Affordable Housing means residential units as jointly defined and		
19	approved by the Montgomery and Prince George's County Councils as eligible for a waived		
20	System Development Charge, more particularly described in Schedule A, attached.		
21	(15) <u>Residential Unit</u> means any housing unit defined in Paragraphs 1, 5, 6, 8 and 13, above

charge for Fiscal Year 2022. This provides the Commission the ability in future fiscal years to
increase the base System Development Charge for water supply fixtures with an assigned fixture
value of 1 from \$88.00 to a maximum of \$134.00 and the base System Development Charge for
a sewage drainage fixture with an assigned drainage fixture unit value of 1 from \$115.00 to a
maximum of \$175.00; and

BE IT FURTHER RESOLVED, that the System Development Charge, as established herein shall be paid to the Commission at the time of application for plumbing permit to install fixtures or hookup(s) to the Commission's water and/or sewage system(s) except that an applicant for a plumbing permit for a residential unit may pay the System Development Charge in two payments as follows:

- (1) One-half at the time of Plumbing Permit Application.
- (2) The remaining one-half within 12 months after the first payment or prior to the transfer of title to the property, whichever occurs first.

At the time of the first payment, the applicant for the plumbing permit for a residential unit shall deposit with the Commission security for the second payment in an amount and form established and approved by the Commission; and

BE IT FURTHER RESOLVED, that the fees established herein shall be in addition to, and not a substitution for, any other fees, rates, charges, or assessments allowed by law; and

BE IT FURTHER RESOLVED, that the System Development Charge shall be waived for any public sponsored or affordable housing as defined in Schedule A; and

BE IT FURTHER RESOLVED, that the System Development Charge may be fully or partially waived for Revitalization as defined in Schedule B, in accordance with the separate administrative approval process adopted in Prince George's County and in Montgomery County; and

BE IT FURTHER RESOLVED, that the System Development Charge may be reduced up to \$43.00 per combined fixture unit value for any Biotechnology Research and Development or Manufacturing project as defined in Schedule C; and

BE IT FURTHER RESOLVED, that the System Development Charge may be reduced up to \$43.00 per combined fixture unit value for Elderly Housing as defined in Schedule D, and as shown on Schedule E; and

BE IT FURTHER RESOLVED, that the System Development Charge may be reduced up

to \$80,000 for Property used Primarily for Recreational and Educational Programs and Services to Youth as defined in Schedule F; and

BE IT FURTHER RESOLVED, that the System Development Charge may be fully or partially waived for any property used primarily for child day care or after-school care, as defined herein as A. Definitions, Paragraph (11); and

BE IT FURTHER RESOLVED, that the System Development Charge may be fully or partially waived for any property used primarily for programs and services for developmentally disabled individuals, as defined herein as A. Definitions, Paragraph (12); and

BE IT FURTHER RESOLVED, that the full or partial exemption of the Systems Development Charge provided in any one year for projects defined in Schedules B, C, and D shall not exceed one million dollars with one half of the exemption amount to be allocated on a fiscal year basis to properties located in Prince George's County and one half to properties located in Montgomery County; and

BE IT FURTHER RESOLVED that any remainder of the annual allocation amount will not lapse at the end of the fiscal year, but shall be carried over into the ensuing fiscal year and be available for allocation within the same jurisdiction in addition to the approved annual allocation for the current fiscal year; and

BE IT FURTHER RESOLVED, that nothing herein shall be construed to prevent the County Councils from jointly, by joint resolutions, increasing the annual allocation amount provided for the System Development Charge exemption; and

BE IT FURTHER RESOLVED, that nothing herein shall be construed as creating a contract between the Commission and the applicant for service, and that the providing of water and/or sewer service to an applicant's property shall be subject to intervention of other governmental authority; and the duly adopted policies of Montgomery and Prince George's Counties, and the Commission's ability to otherwise provide such service; and

BE IT FURTHER RESOLVED, that Prince George's County Council Resolution 41-2020, adopted May 29th, 2020, is hereby superseded by this Resolution; and

BE IT FURTHER RESOLVED, that the System Development Charge established herein shall take effect on July 1, 2021.

Adopted this <u>27th</u> day of <u>May</u>, 2021.
