PRINCE GEORGE'S COUNTY GOVERNMENT

OFFICE OF THE COUNTY EXECUTIVE

May 12, 2021

The Honorable Calvin S. Hawkins, II
Chairman
Prince George's County Council
County Administration Building
Upper Marlboro, Maryland 20772

Dear Chair Hawkins:

Enclosed for the County Council's consideration is a Bill to adopt additional permit fees for Site Road permit applications. Specifically, Department of Permitting, Inspections and Enforcement (DPIE) is proposing the following two new fees: (1) fees for multiple plan reviews and (2) fees for multiple plan reviews for failure to include public roads. DPIE is also clarifying extension fees for grading, storm drain and stormwater management outside the public right of way.

The Council's favorable consideration of this legislation is greatly appreciated. If you have questions, please contact my office or contact Melinda Bolling, Director, Department of Permitting, Inspections and Enforcement, (DPIE) at (301) 636-2020.

Sincerely,

Angela D. Alsobrooks
County Executive
