Good morning Donna,

I would like to submit my comments in support of the speed camera bill.

Thank you

Dwight Jones

November 8, 2021

I am in support of CB-073-2021, as a resident of the Ritchie Heights Ritchie Manor, our community in Forestville, consisting of 240 single-family homes has Ritchie Road to our east and Walker Mill Road to our west.

Our community is besieged by speeding motorist attempting to run the traffic light at the intersection of Ritchie Road and Alberta Drive. Car enthusiasts have blocked, Ritchie Road from Central Ave to Walker Mill Road for illegal drag races. The speed limit on Ritchie Road is 35 miles per hour.

In addition, ATV vehicles and other car enthusiasts race up and down Walker Mill Road (speed limit 40 miles per hour) from Beechnut Road to the south and Ritchie Road to the north. This is the site of our Walker Mill Regional Park.
