BRIEFING – (COUNCIL HEARING ROOM)

[BR 02192019b](#)

Draft 1

- * Introduction of Dr. Terrence Fullum, Board of Health Liaison and Dr. Yolandra Hancock, Board of Health Advisor
- * Plan of action for the RAND Study
- * Social determinants of health and health disparities

*** Outline of previously addressed Board of Health topics***** Discussion of potential 2019 Board of Health topics**

Doctors Fullum and Hancock introduced themselves to the Council and expressed excitement about serving as consultants and advisors to the Board of Health. Council Administrator, Robert Williams, Jr., walked Council Members through briefing binders and spoke to the plan of action and proposed timelines for the RAND Study and responded to questions posed by the Council regarding: contracting, timelines, public participation, and look-back provisions. Dr. Fullum facilitated a PowerPoint presentation on social determinants of health and health disparities and responded to questions posed by the Council regarding: human services, primary care physicians, life-expectancy, health equity, environmental justice and the community health needs assessment. Dr. Hancock, spoke to a handout on modifiable and unmodifiable contributors to obesity and responded to questions posed by the Council regarding stress as a contributor. Council Members expressed topics that would be of interest this year.
