*The public safety surcharge is required to be adjusted each fiscal year for inflation pursuant to the Consumer Price Index for All Urban Consumers (CPI-U). The CPI-U for April 2019 increased 2.0% and results in a surcharge increase of \$52 above the Fiscal Year 2019 public safety surcharge of \$2,578 for permits issued inside the Developed Tier and inside an area included in a certain basic plan or conceptual site plan. For Fiscal Year 2020, the public safety surcharge shall be \$2,630 for permits issued for construction located inside the Transportation Service Area 1, as defined by the Maryland - National Capital Park and Planning Commission in the Prince George's County Approved General Plan, and for construction in an area included in a basic plan or conceptual site plan that abuts an existing or planned mass transit rail station site operated by the Washington Metropolitan Area Transit Authority and Maryland Transit Administration complies with the requirements of any sector plan, master plan or overlay zone approved by the Prince George's County District Council. The Consumer Price Index for All Urban Consumers (CPI-U) for April 2019, compared to April 2018, shows an increase of 2.0%. The increase results in a surcharge of \$191 above the Fiscal Year 2019 school facilities surcharge of \$9,550 for permits issued for buildings between Interstate Highway 495 and the District of Columbia and for permits issued for buildings included within a basic plan or conceptual site plan that abuts an existing or planned mass transit rail station site operated by the Washington Metropolitan Area Transit Authority. For Fiscal Year 2020 the school facilities surcharge shall be \$9,741 for permits issued for buildings located between Interstate Highway 495 and the District of Columbia; or included within a basic plan or conceptual site plan that abuts an existing or planned mass transit rail station site operated by the Washington Metropolitan Area Transit Authority.
