This legislation provides supplementary appropriations and transfers surplus appropriations between various agencies and within various agencies in the General Fund to cover unanticipated and vital costs needed to meet year end operational requirements and an additional appropriation in the Special Revenues Fund. The additional resources will support the following: (1) Office of the County Executive operating expenses; (2) additional legal support for the Personnel Board; (3) additional operating expenses for the Office of Central Services; (3) Fire/EMS Department overtime, fringe costs and additional operating needs as a result of a scabies outbreak along with medical supplies and fire apparatus parts; Office of Homeland Security operating expenses; (4) additional appropriation and reallocation of appropriation within the Department of Permits, Inspection and Enforcement to support clean lot services and online records management system; (5) reallocation of appropriation within the Department of Health to provide temporary staffing support services for residents; and (6) other non-departmental expenses to support an additional Other post-employment benefits (OPEB) contribution. The additional resources are supported by sworn attrition savings in the Police Department and savings in Debt Service in Non-Departmental. The additional OPEB contribution is supported by additional use of fund balance. The legislation also reduces the approved County revenue appropriation by a net decrease of \$42.4 million to align with revised revenue projections for FY 2020 as a result of the COVID-19 pandemic impact on the economy. The largest components of this decrease include Income Tax Receipts (\$11.1M), Admissions and Amusement (\$7.4M), Table Games (\$6.4M), Local Health Grant (\$4.6M) and Fines and Forfeitures - ASE (\$3.3M). The decrease in revenues are 100% offset by an increase in

the Use of Fund Balance. The Fiscal Year 2020 General Fund budget as expressed by CB-27-2019 increases the budget from \$3,631,989,800 to \$3,641,989,800. The increase in revenue totals \$10,000,000.
